

# MINUTES OF THE CHURCH CONFERENCE

## FIRST BAPTIST CHURCH

### RALEIGH, NORTH CAROLINA

March 26, 2025

#### **Call to Order**

Moderator Kimberly Taylor called the conference to order at 6:22 p.m.

#### **Business**

Minutes of the church conference were approved without dissent.

Church clerk Teresa Teague gave the membership report. Jay Foster joined the membership via baptism on Sunday, March 16. Carolyn Smith died on Sunday, March 16. The membership as of March 26 was 1,311.

#### **Committee Reports**

##### *Finance Committee*

Committee chair Ryan Willis gave a review of the financials. February 2025 total revenue was \$156,131.77; total expenses were \$130,239.50. Revenue in excess of expenses was \$25,892.27.

The Committee approved the first-quarter missions payments, which are \$23,000+ per quarter. The Committee also received a request from the Properties Committee on behalf of the Landscaping Team. The Committee approved \$2,250 for several landscaping projects at the church.

##### *Properties Committee*

Maria Childrey reported on the choir loft improvements. The City of Raleigh has received the application for a permit, and we should know the decision by Friday, March 28.

The Properties Committee also approved \$2,250 for several landscaping projects around the church parking lot, the front of the church, and in the garth. Some of the projects include:

Parking lot: apply specific fertilizers and mulch around trees

State parking lot: trim bushes and clear brush

Garth: various work in the plant beds and improving the bench seating.

Wayne Haeger commented that the removal of two oak trees and the playground tree that has been in the works for a while will be completed on March 27.

##### *Nominating Committee*

Committee chair Karen Poteat presented a list of committee, council, and Sunday School leadership nominees for the next year (Attachment A). The Nominating Committee has filled all but

two slots (on the Social and Finance Committees) and hopes to fill the remaining spots within the next week. The list of nominees was approved without dissent.

#### *Dream Team*

Chair Mary Nash Rusher gave an update on the Team's work since spring of 2024. In May 2024, the Church Conference approved the Dream Team's proposal that we join a cohort of churches in the Triangle (Sympara) to work towards improving the affordable housing crisis. After several months of fits and starts, the Dream Team ultimately decided this group would not be a good fit for us as a partner. The Team members continue to look for ways our church can work with other organizations to become an ever more vital part of our community, and welcome all ideas from the members. Ms. Rusher ended the report by mentioning that Edenton Street Methodist Church has just finished a similar process to the one we completed, and has a new strategic plan on their website; their goals align very closely with ours. ESMC has a new minister who is very interested in collaborating with community groups in pursuit of similar ministries, and the Dream Team as well as Dr. Chapman has been in contact with him.

#### **New Business**

Ms. Taylor reminded the members that there will be no Church Conference in April due to Holy Week activities. The next Conference will be May 28, 2025.

#### **Comments from Dr. Chapman**

Dr. Chapman reiterated that he has met with Edenton Street Methodist Church's new pastor, Kevin Baker. Mr. Baker has a significant interest in history and community partnership, and is very energetic in his interest in working with other organizations in our community.

Dr. Chapman mentioned that he is preaching at the Easter sunrise service at the Capitol this year (for the first time since 2014.) He also reminded the Conference of the Gaddy lectures during the coming weekend, featuring Dr. Kristin Kobes Du Mez (author of *Jesus and John Wayne: How White Evangelicals Corrupted a Faith and Fractured a Nation.*)

Dr. Chapman reported on a Church Council meeting earlier in the week at which two Day Fund requests were approved. The requests were for two different projects which will be completed in the same trip to Honduras. There will be a complete report on these approved requests at the May Church Conference meeting.

Dr. Chapman's final announcement concerned a decision by the Worship Committee. Going forward, the Worship Committee will be using actual (gluten-free) bread at every communion service.

The meeting was adjourned at 6:46 p.m.

Respectfully submitted,

Church Clerk
