

Dear Parents,

Hello from Mrs. Kesler and Mrs. Brandtjen! We hope you are all staying healthy and know that we are thinking of you and praying for you all.

Although we feel strongly that PE and Music are essential elements of your child's educational development, we understand that this is a difficult time. We know it may be quite the challenge to keep up with the workload expected for each child and are aware that you as parents, as well as our students may be overwhelmed trying to navigate this unique situation. We are all in this together and want to support you any way we can, while still providing the quality educational opportunities that we strive for every day in the traditional classroom.

With all of this mind, it has been decided that we will provide resources and activities for your child/children, available on our websites, but will no longer require homework, assignments, or tests. We will discontinue daily/weekly email updates from PE and Music, but please know we are still working hard to provide activities and resources for your children, should you choose to use them.

We encourage you to access these activities, resources, and videos at our websites at your convenience. We will continue to make weekly updates as originally planned and will maintain our office hours from 9-12 on school days.

Please feel free to email us at any time and visit our websites!

For our Junior High Students, we will continue to communicate via our Google Classroom pages.

We want you to know we miss our students very much and think of you each day! God bless you all!

Mrs. Brandtjen

and

Mrs. Kesler
