

All Saints Music Education St. Mary's Visitation School Band Lesson Program

Making Music Together!

August 2017

Dear Parents and Students,

All students in grades 4-8 are invited to enroll in instrumental music lessons and become a part of the St. Mary's Visitation Parish School Band. Learning to play a musical instrument can provide a lifelong skill that builds confidence, increases concentration, and enhances social development and self esteem.

Students in grades 4-8 are eligible to begin band instrument lessons. Among the beginning band instruments that students may select are flute, clarinet, alto saxophone, trumpet, trombone, and drums.

Each student will participate in a specialized 30 minute group lesson once per week. The music lessons are held at school and scheduled immediately after school in the Senior center. Students will experience the enjoyment of learning the language of music as well as all of the techniques necessary to play the instrument of their choice. Opportunity for ensemble activity and concert participation is offered. **Musical instruments are available for rental or purchase through local music stores.**

The lesson fee for the music program is \$184.00 per quarter. (8 lesson term) A \$30.00 registration/materials fee will cover all standard educational items needed throughout the school year. Fees for additional students in a family are reduced to \$136.00 per 8 lesson term with a \$25.00 registration/materials fee. To enroll in the lesson program please complete and return the attached form, along with the registration/lesson fees, to the school office. Lessons will begin the second week of September.

Please contact us with any questions you may have. We invite you to join us for an exciting year of music making!

Musically Yours,
Mr. Corey Klunk
