

All 7th & 8th Graders are Invited!

Visit Catholic Memorial to experience what a day as a CMH student is really like!

Shadow a current CMH student involved in the arts to see what their typical day is like, meet teachers and meet future Crusader classmates! Guests can shadow a specific student they know or can be paired with one based on similar interests!

Guests will also have the opportunity to tour the CMH theater, backstage, art spaces and meet members of the cast and crew of the musical and art students.
