

# PLASTIC BAGS NEEDED

## CONCLAVES 2017

The **YOUTH** of our presbytery will be making mats for the homeless at their spring camps called **Conclaves**.

These mats are made from plastic bags which are cut into strips and looped together to be crocheted into a mat. They are light weight, water proof and actually have a cushion feel to them.

It takes 500 to 700 bags to make one sleeping mat 36 x 72 inches. So... we need **YOUR HELP in collecting PLASTIC BAGS!**

Plastic bags should be collected at the local church and then brought to Conclaves by youth groups.

Contact Rev. Caressa Murray with questions.
