Winter 2024

The Staff of Hope Alive in Haiti (not everyone is pictured) wishes you a very Blessed Christmas and a peaceful and prosperous New Year!

Last week was terrible for the people living in Delmas and part of Petionville. Gangs invaded Solino and, on Saturday night, people had to flee from their houses under a rain. The gang didn't spare anyone: old people, babies, young people. Last week, over 10,000 people fled their homes in the capital. The south is still blocked, and gangs are getting more territories on the north. There's an embargo on Haiti. On one hand, The country can't import guns for the police and the little army we have. On the other hand, gangs get whatever they want (guns, etc.) to terrorize us.

Who will save us from this situation? Who will take us out of this hole?

We will keep faith. God will visit His people. Jeremiah 29:11 can be fulfilled in our lives. ***"For I know the plans I have for you, declares the Lord, plans to prosper you and not to harm you, plans to give you a hope and a future."***

God Bless you all and thank you for your loving prayers and support.

BJ Ousley Joins Hope Alive Board as Treasurer

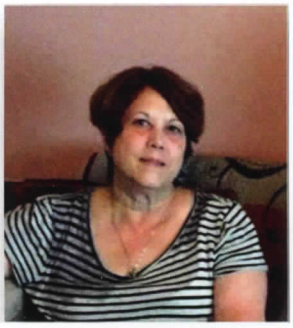

Welcome Barbara "B.J." Ousley to Hope Alive, our new Treasurer/Bookkeeper volunteer. Barbara Ousley (BJ) was born in upstate New York, raised in Central Florida, and was part of the original Walt Disney World cast (photo featured on the cover of Life Magazine). Her late husband was a Golf Professional. BJ also served as Elder and Treasurer for her church, then later owned and operated UPS stores in DeLand, FL. "Now it is time to retire", she says, "and do some things for my Lord and Savior (and, hopefully travel and check some things off my Bucket List)."

Left: BJ is visiting Solace at Hope Alive, loving on babies.

Barb Long Retiring after Twelve (12) Years as Hope Alive Treasurer

Barb Long is retiring as Hope Alive Treasurer/ Bookkeeper. We cannot thank her enough for her faithful service! She volunteered since we began in 1998 to 2005, then again from 2022 to 2025. That's over 3,000 hours of donated professional bookkeeping. Barb and Leslee have been close friends since 1980, when Barb answered her ad in the local newspaper for a roommate to help pay her bills (life before Frank). Then, as Leslee's roommate, Barb and her church prayed for Leslee for five (5) months until Leslee finally committed her heart and life to the Lord.

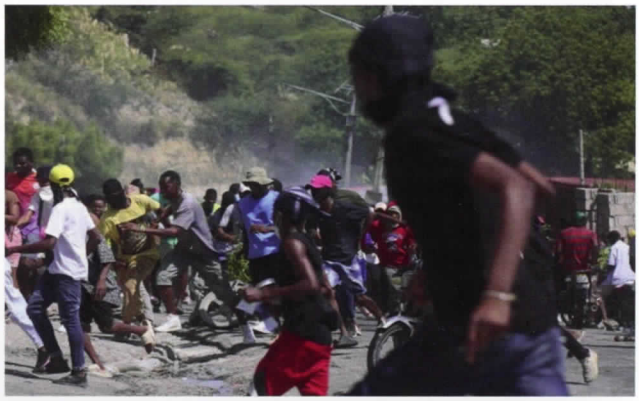

Fritznel Leon leaving Hope Alive in Haiti after Fourteen (14) Years

We first met Fritznel when he was an orphan! As he grew older, we incited him to work with the ministry. He is a faithful, great guy and has a terrific sense of humor. He worked as our archivist/record keeper at the front desk. He has taken a position with the Haitian government, and will indeed be missed. Mr. Leon, we bid you ***Orevwa, bon chans, Bondye beni w*** *(Good-bye, good luck, God bless you.).*

Gangs have taken over much of the country, doing pure evil.....

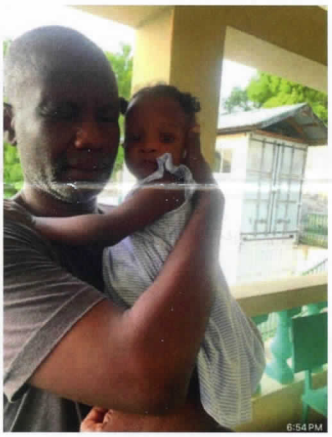

... but we have remained open each day this year, sharing the love of Jesus through prayer, medical and nutritional care, Penny's sewing school, music programs, baby dedications, even a swim party and a wedding on top of our building — keeping hope alive!

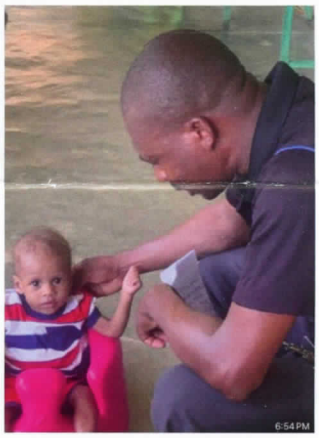

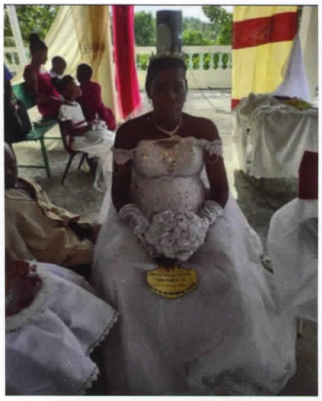

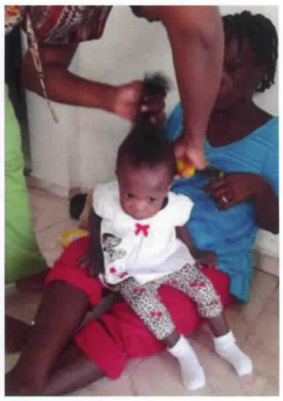

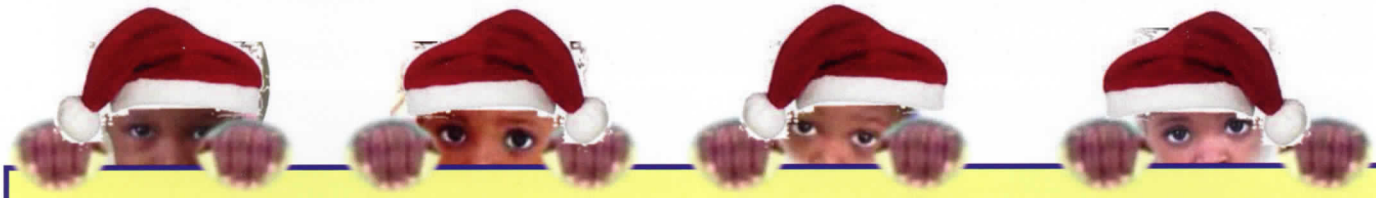

This Christmas, please help us fight against malnutrition for only $25 a month. At Solace 24-hour nutrition center, Hope Alive keeps *hope alive* in families, keeping kids alive, keeping families together and kids out of orphanages.

Visit www.hopealivehaiti.org for sponsorship information, or message us with any questions you have on how you can help! *Thank you for your prayers and support!*

We are still postponing visiting mission teams due to unrest in Haiti. It has been over 6 years without teams visiting Hope Alive. The medical clinics, sewing school, & Solace Hospital **have remained open**! Please keep us in your prayers and prayerfully consider helping us keep *hope alive* in Haiti. **Your prayers and any donation**, big or small, will go a very long way.

Have a Blessed Christmas! *Pastor Frank and Leslee Jacobs, Founders*
