First Stage Directions

Here is what you should do to get started.

The directory can be accessed from either your computer or a cell phone or both.

To set up access to the directory, search for Instant Church Directory in your computer or cell phone's web browser. Click on the link once found.

From the home page of their website, click on "Member Sign In" at the upper right part of the page.

When the next page appears, select: "First Time Signing In? Create Login." Please remember, you must use your email address that you provided LOL to create a login the first time you use the directory online and via the mobile app.

Once you have establish this, there is a free cell phone mobile app available for download at the Apple® App store in iTunes® and Google Play store. Simply search for "Instant Church Directory" to get the download.
