

## 2018-2019 PROMISE CARD

*May the God of hope fill you with all joy and peace in believing,  
so that you may abound in hope by the power of the Holy Spirit.*

[Romans 15:13]

Our faith gives us hope. God has given us the gifts of time, talents, and treasure so that we can share that hope with other people. Stewardship means taking care of our gifts, including how we share our time, how we use our talents, and how we spend our money. Please take a minute to think about ways you can thank God by using your gifts for Grace Church.
