### It's Back!

One of the best things about working in downtown White Plains is the Farmers' Market, which reopens today, Wednesday, April 24th and will be open every Wednesday thereafter until November 27th. Hours of operation are 8:00 a.m. to 4:00 p.m.

Market vendors are from farms in upstate New York, Connecticut and Pennsylvania. The farmers and vendors offer a wide assortment of fresh produce, plants, home baked goods, breads, fish, olive oils, cheeses, and prepared foods.

And that's not all...the City is kicking the Opening Day of the Farmers' Market up a notch with informational tables and giveaways in recognition of Earth Day, all organized by the Mayor's Sustainable White Plains Committee.
