

Director of Philanthropy

Casa Colina seeks a dynamic Director of Philanthropy that will be responsible for the planning and management of a comprehensive development program, including identification, cultivation, and solicitation of donors for the hospital's many programs. In addition, the Director of Philanthropy will be responsible for the oversight of the day-to-day operations including annual giving, employee giving, corporate sponsorships, events and grants.

The ideal candidate will possess a Bachelor's Degree, 5-7 years successful experience in fundraising (preferably in healthcare), and working knowledge of Raiser's Edge database. They will also possess excellent oral, written, and interpersonal skills; problem solving, research, and analytical skills; solid relationship-building skills; and the ability to interface with diverse publics.

In addition, the candidate should be able to initiate, evaluate, and grow strategic advancement plans and be able to articulate the case for support of Casa Colina's vision/mission/goals, with sufficient effectiveness to secure gifts at various donor giving levels. They must have knowledge of and demonstrate skill with computer software programs. They must also be able to speak publicly and represent Casa Colina's programs in the community.

The salary range for this position is \$120,000- 130,000

Casa Colina Hospital and Centers for Healthcare is a nonprofit provider of specialized medical, surgical, and rehabilitative care for people of all ages with disabling conditions resulting from accidents, disease, or illness. With incredible support from our community, we have been privileged to bring hope, healing, and improved quality of life to hundreds of thousands since serving our first patient in 1938.

Our comprehensive continuum of care includes medical-surgical and intensive care, acute rehabilitation, short-term residential rehabilitation, and long-term residential care. Outpatient services include orthopedic and neurologic rehabilitation, physician clinics with nearly 30 medical specialties, children's services, diagnostic imaging, laboratory, audiology, and day treatment services.

Casa Colina is also home to a free-standing research institute, an adaptive recreation and wheelchair sports program, and several highly regarded residency programs. Additionally, we offer satellite outpatient services in nearby Azusa and long-term care facilities for adults with brain injury in Apple Valley and Lucerne Valley.

Our well-appointed 20-acre Pomona campus features elegant Spanish-style architecture and serene outdoor areas that create a natural, soothing ambiance you simply won't find at other hospitals. This unique setting provides the optimal environment for physical restoration and healing. In addition to clinical excellence, cleanliness, and security, at Casa Colina patients and families will also find the comforts of home as they navigate their recovery journeys, including sun-lit dayrooms and terraces, a

cozy cafeteria with delicious food, and secluded courtyards dotted with fountains and fireplaces.

At Casa Colina, our goal for our patients is simple: to provide high-quality, patient-first care in a safe environment. Casa Colina prioritizes an outstanding patient experience through a commitment to safety and best practices, with experienced staff and state-of-the-art technology. In fact, we've been nationally recognized for Outstanding Patient Experience four years in a row, and we were also rated as a Top 27 Patient-Recommended Hospital.
