## Find Love Here!

*"Having the cats made our new house feel like a home. It wasn't just a place where we had furniture. Lucy and Elsa filled the spaces that we didn't even know were there." Amanda & Brooks, Keene*

*"When I didn't have a dog it was lonely. It brings me a lot of joy to see Jameson happily running around. I want to give a dog a good life. It goes both ways; he's happy, I'm happy." John, Saranac Lake*

The past few months have reminded us of the importance of the unique love between a person and their pet. We treasure our dog greeting us with joy when we come home. We relax in the warm comfort of our cat purring in our lap. We pet owners cherish the delight and companionship that every adoption brings into our lives.

We realize these are not ordinary times but **we need your help now, more than ever**. Your donations make it possible for us to care for the animals and to continue placing our cats and dogs into the loving arms of their new owners. We thank you for your support and so do the animals.

This spring we have put together a series of photos we guarantee will make you smile. You can see the excitement and joy every adoption brings, beginning when the new owners and their dogs or cats are heading out the shelter door to start a new life together. **It is truly Find Love Here!**

Gratefully,

Your friends at the North Country SPCA

P.S. Remember, the North Country SPCA is a no-kill shelter that receives no support from the national ASPCA. **More than 85% of our income is from generous people like you** who share our commitment to helping animals in need. Please give online at [www.ncspca.org](http://www.ncspca.org)
