

FROM THE

# PRESIDENT

Like the Texas Rangers, FEI Dallas keeps aiming higher. Our November monthly meeting keynote speaker is Robert Steven Kaplan, former President & CEO of the Dallas Federal Reserve Bank and current Co-Chair, Draper Richards Kaplan Foundation. We continue to have capacity crowds at our meetings at Northwood Club.

I encourage FEI Dallas members and sponsors to invite your peers [who qualify for FEI membership](#) to a monthly meeting or a Special Industry Group (SIG) meeting. The SIGs include groups concentrating on private equity, manufacturing, real estate, healthcare, restaurant & retail, energy, technology, and women in business issues. All events qualify for continuing education credits.

Be sure to watch your email as registrations open for numerous events, or visit the FEI Dallas website – [www.feidallas.org](http://www.feidallas.org) – to see upcoming events and other useful information.

Just a reminder that starting in January 2024, our monthly meetings will be on 2nd Tuesdays instead of Mondays. There's no change to the location – Northwood Club – or meeting schedule – still 4:00-8:00 p.m. – only the meeting dates have changed.

The amazing programs and events produced by FEI Dallas are the result of a lot of collaboration. Sponsors, chapter committees, and staff work hard to make this schedule and programming possible. Thank you all for your effort.
