WORKING PARENTS & ALLIES
EMPLOYEE RESOURCE GROUP PRESENTS: PARENTING IN A PANDEMIC

Join us to hear expert guidance, advice, and support during what has been an especially challenging year for working parents. Dr. Fradin will discuss:

- Specific stresses kids, parents, and caretakers are facing
- Three key points that professionals should understand about COVID-19 and its biopsychosocial impacts
- Practical tips to address the impacts of pandemic-related stressors in families

**Guest Speaker: Dr. Kelly Fradin**

"A graduate of Harvard College and Columbia College of Physicians and Surgeons, Dr. Kelly Fradin is a pediatrician and mother of two from NYC. Her career has focused on children with chronic medical conditions and school health. As an advocate for children, she wrote *Parenting in a Pandemic* which provided calm, realistic, and evidence-based advice to thousands of families during this stressful time."
