EXECUTIVE SUMMARY

About Takleem

Takleem is an initiative to teach Arabic to any foreigner living in Saudi Arabia, including diplomats, managers, and consultants. We offer our services in partnership with the large international companies in Saudi Arabia.

Goals

In Takleem we aim to help foreigners speak Arabic more fluently, as well as gain confidence in their ability to communicate with Saudi and Arab people. With better language skills, they can become more involved in Arab society and more open to learning a new culture. This in turn, will help them to feel welcomed and involved.

According to a study conducted by our team showed that non-Arabic speaking employees would like to have the chance to experience one of the most important part of our culture which is the “Arabic language”.

Our Services

- **One-on-one private Online tutoring** give the participant more time to talk and practice Arabic with native people from Saudi Arabia!
- **Group learning (physical or virtual)**, Language is about bringing people together. Groups of 6 to 10 learners to ensure that every participant gets personalized attention.
- **Takleem community** is an event (physical or virtual) organized according to your preference that that offers flexible Arabic lessons to non-Arabic speaking individuals provided by Saudi experienced tutors. In addition, we customize an interactive program and activities that showcase Saudi culture in an entertaining and fun way.

Course Outline

The following topics are going to be covered:
