

Dear Supporters,

As we approach the end of 2024, I look back on an exciting and challenging year. Mary's Place used to be called The Rape Crisis Center, but last year we renamed our organization to honor our founding Executive Director, Mary McAlister. Under this new name, we have remained committed to helping the survivors of sexual assault in the Coastal Empire and to implementing vital prevention and educational programs across the region.

Sadly, the need for the services provided by our nonprofit organization continues to grow. We serve communities across seven counties- and hope to expand and deepen our reach and services to build a safer community. Please will you consider making a tax-deductible donation towards our end of year appeal? We need vital funds for our survivors and to help us extend our prevention programs.

Thank you everyone from the bottom of my heart.
Together we can make a difference to survivors of sexual assault.

Sincerely,

Doris L. Williams
