Early Care & Education SF Issues Luncheon

Friday, January 25th, 2019
12 – 2 pm

Earl Warren Building
350 McAllister Street, San Francisco

An opportunity for San Francisco supervisors to meet you and fellow early care educators in person. This year, with a new mayor and recent elections, we have more new supervisors than usual.

Make sure they know us!

Come share stories and experiences that will put faces to the data
— and keep ECE as their priority issue.

Let's make every new supervisor an ECE champion!
