

# ECE Equity Leadership Academy

**We aim to build upon the leadership in our community and amplify the voices of diverse ECE leaders.**

The ECE Equity Leadership Academy is an executive-level program for San Francisco-based Center Directors, Administrators and Family Child Care (FCC) Owner/Directors to increase their **knowledge, skills, and understanding of leadership grounded in racial equity, social justice and values identification.**

We are looking for 30 ECE leaders to participate who are equipped with the knowledge, skills and attitudes to successfully **build an equitable ECE system for our children.**

**Each participant will receive individualized coaching, leadership training, and incentives.**

## Training Topics To Be Covered Include

- Defining Equity, Social Justice, and Leadership
- Racial Equity & Family Engagement
- Developing Cultural Humility and Competence
- Building a Culture of Excellence with Equity
- Social Justice Leadership
- Contemporary Issues Impacting a Diverse ECE Workforce
- Decolonizing Language
