12 – 2 pm

Earl Warren Building  
350 McAllister Street, San Francisco  
RSVP at [ECESF.org](http://ECESF.org)

An opportunity for San Francisco supervisors to meet you and fellow early care educators in person. This year, with a new mayor and recent elections, we have more new supervisors than usual.

***Make sure they know us!***

Come share stories and experiences that will put faces to the data — and keep ECE a priority issue.

**Let's make every new supervisor an ECE champion!**
