presents...

### Moments of Truth for Club Success

As a club, you want every new and prospective member's initial interaction with the club to be a positive one. These decisive times when initial impressions are formed are known as **Moments of Truth**. The **Moments of Truth** is your guide to delivering quality service and outstanding member experiences. **Moments of Truth** is a tool that enables sustained club quality through guided evaluation and targeted recommendations. A high-quality club encourages and celebrates member achievement, provides a supportive and fun environment, and offers a professionally organized meeting with variety. In those clubs, officers are trained in all aspects of club quality to ensure that members have access to a formal mentoring program, are provided evaluations that help them grow, and are motivated to achieve their goals. When clubs successfully exemplify the **Moments of Truth**, members are ensured a safe, supportive environment in which to achieve their goals.

Join us as we share the details of the **Moments of Truth** program and show you how you can use this program to develop a Quality Club.

At the 2022 Annual Business Meeting in August, every Toastmasters club will have the opportunity to vote on proposed amendments to the Bylaws of Toastmasters International and the Club Constitution.

## Help with International Convention

We have a call-out for help with some things that we still need for the convention:

- donations of snacks and drinks.
- driver for a past International President, and 8-10 of his close friends, from the hotel to downtown Nashville on Tuesday morning and pick them back up to return them to the hotel later in the afternoon/evening.
- International Director Candidate Helen He has requested 2-3 volunteers from D63 to help her with her candidate table. Due to lockdowns, quarantines, etc., nobody that she knows will be able to come and help her from China. Please contact Don Bittick at [dbittick@msn.com](mailto:dbittick@msn.com) to volunteer.
