

Welcome Home Kits

Crossroads believes that housing is a human right and that everyone deserves a safe, comfortable place to call home.

The mission of Crossroads Rhode Island is to help homeless or at-risk individuals and families obtain secure, stable homes. They achieve this by engaging in a range of services including housing, basic needs, shelter, case management, referrals, and education and employment services.

Every year Crossroads helps individuals and families transition from homelessness to stable housing. Welcome home kits prepare clients for their new home with the help of generous supporters like you!

A welcome home kit is a gift to our clients to help them settle into their new apartment.
