

AN IMPORTANT MESSAGE FROM THE JEWISH BEREAVEMENT COUNSELLING SERVICE

“I did not know you were out there, until I needed you”

As with the wider community the impact of the Covid19 pandemic has created extremely painful experiences and hardship for the Jewish community.

During these unprecedented times, when there is an enormous need for support, the Jewish Bereavement Counselling Service is available, and able to deliver one-to-one counselling and group support, via Telephone, Zoom, Skype, WhatsApp, and Facetime.

Individual counselling and group support are provided by professionally trained counsellors, from JBCS, who offer guidance and understanding.

Please call us. We are here for you.
