

## Important Information for Drive in Worship – Now @ 9:30 am!

So that we can streamline parking and allow for more cars, please keep the following in mind:

- Please plan to arrive at the church 20 minutes before the worship starts – **no sooner**. Those arriving early won't be able to park in the lot and could cause a traffic jam in Kready Alley.

- The preferred entrance for church parking is off Rt. 72 by W. Kready Alley – see map above. Please proceed to the stop sign and a parking attendant will direct you where to park.
- If entering from Hart Street, proceed to a parking attendant (holding a stop sign) near Eyman's yellow barn and you will be directed where to park.
- When you reach a parking attendant, you will receive a printed bulletin to follow along in the service. To be safe, feel free to download the bulletin from your sermon email sent to you earlier in the day, and use the digital copy to follow along. Please note that the church wi-fi does not reach into the parking lot, so you may want to download the document before arrival.
- Tune into FM radio station 88.1 to hear the worship service.
- Please plan to stay in your car the entire time – no lawn chairs or walk-ins will be allowed for safety reasons. The online sermons are available as well if you don't have access to a car.
- When the service is over, please WAIT for a parking attendant to direct you to the exit. This will give you a chance to wave to our leaders, especially to Pastor Bill & Cheri as you leave.
- If you have an emergency, please notify a parking attendant or turn your lights on – please do not leave your vehicle.

**We can't wait to worship with you!!!!**
