

Vail Christian High School Technology Department

VCHS Technology Requirements - 2019/20

We are a BYOD (Bring Your Own Device) School. This means that we are open to kids having any device that has wi-fi capability, Microsoft Office or Google Apps Capabilities.

All students need to purchase their own version of Anti-Virus and have it installed on their Macs, PCs, Tablets, and iPads. ***Please be aware if you are taking Chemistry, Engineering, or Biology, some devices like ChromeBooks may not be compatible.***

Minimum Computer Requirements

These are just some options.

- Apple MacBook - <https://www.apple.com/shop/buy-mac/macbook-air>
- Apple iPad - <https://www.apple.com/ipad-air/>
- Google ChromeBook - <https://www.google.com/chromebook/find-yours/>
