Vail Christian High School
Technology Department

VCHS Technology Requirements - 2020/21

We are a BYOD (Bring Your Own Device) School. This means that we are open
to kids having any device that has wi-fi capability, Microsoft Office or Google
Apps Capabilities. Phones are not part of this BYOD policy.

All students need to purchase their own version of Anti-Virus and have it installed on their Macs, PCs,
Tablets, and iPads. **Please be aware if you are taking Chemistry, Engineering, or Biology, some
devices like <u>ChromeBooks may not be compatible.</u>**

Minimum Computer Requirements

These are just some
options.

- Apple MacBook - https://www.apple.com/shop/buy-mac/macbook-air

- Apple iPad - https://www.apple.com/ipad-air/

- Microsoft Surface - https://www.microsoft.com/en-us/store/collections/microsoftsurfacedeals

- Lenovo ThinkPad https://www.lenovo.com/us/en/student

  * If you are GAMER and thinking about ESports, please consider this link
  https://www.dell.com/en-us/gaming/alienware or even better, build your
  own.

VCHS Provides Microsoft Office 365 Student and Teacher Edition. Please contact
Jean-Claude and try to meet to get this software.

If you have any questions, please contact Jean-Claude Moritz (VCHS IT Advisor) at
jcmoritz@vchsweb.org.
