## Five Reasons to Give:

- 01 Flexibility
- 02 Future & Forward Progress
- 03 First & Fearless
- 04 Faculty
- 05 Fellowship & Friendship

# Reason to Give #1:

## Flexibility

Please consider a gift or pledge so students receive an educational experience that is flexible, allowing them to see, hear and fully interact with their teachers and fellow students in the real classroom, even if they are learning from home or anywhere.

Parents receive the confidence that their student is engaged and receiving the best educational experience, from wherever they are.

Vail Christian High School increases our reach to students who may not be able to consistently attend in-person such as elite athletes, international and multi-city families, or middle or high school students looking to take a la carte or supplemental courses.

## Reason to Give #2:

### Future & Forward Progress

The global pandemic has caused us to respond and become innovative with solutions to provide high-tech, high-end, and high-touch distance learning opportunities.

For forward progress, we realize that what we do today, is truly for tomorrow. With your help, VCHS will become leaders - pushing the frontline of education to the next level and taking learning into the future.

## Reason to Give #3:

### *First & Fearless*

Forging the path as the first high school in Colorado to implement the DTEN system, Vail Christian High School has been fearless to step up to the forefront of education.

Your gift or pledge will help us faithfully serve our students - Anyone, Anytime, Anywhere.

# Reason to Give #4: Faculty

This solution provides easy installation and implementation, allowing teachers to focus on what they have always done best in traditional classrooms, delivering lessons at the highest level and making real connections with their students. Instruction is then enhanced through interactive content sharing.

Different access, same high-level instruction. This is live, this is real. Help make it happen for one of our 17 classrooms and the teachers who use them.

## Reason to Give #5:

### Fellowship & Friendship

Do it for our students and Saints community. So we can be together, even when we must be apart.

When a student is learning virtually, they can still fully participate and feel a greater sense of presence. They truly are immersed in the classroom with their friends and teachers, making memories, experiencing fellowship, and learning together.

# Testimonials

## Student

“It actually looks like we’re in the classroom. It looks like we’re sitting at a desk and we can see the board. I’m able to interact more with my classmates. You can really talk to each other as if we’re both in the classroom together... all of it seems like we could actually be at school.”

## Teacher

“I’m now able to interact with the students at home just like I would with the students in the classroom. I hear their voices and they see and hear everything in the classroom. They may be at home, but they’re still in class.”

## Parent

“I love the flexibility. Our kids have genuine teacher and classmate interactions, and are able to have the best remote learning experience possible.”

# From the Board of Directors

The first weeks at school have gone very well. The results of our preparations have been solid. We enter the year debt free, with ownership of our campus, and with above historical attendance; all trends we see continuing. Our team is healthy, our students are excited, and our mission matters more than ever. VCHS is committed to excellence and improving in today's new reality; not just trying to "get back to normal."

We will serve our team, your family, and our community to expand our connection, impact, and reach to deliver a world-class and seamless faith, college, and life preparation education that is a firm *rock* amidst uncertainty. The entire team at Vail Christian continues to do its part to ready VCHS for success while relying upon the Lord for His good result.

As part of our preparations, our investment in technology helps us consistently deliver on our mission, regardless of whether we (teachers, students, groups of students, or our full school) are required to be off-campus for one day, one week, or longer. This is our commitment. Thank you for being a central part of our mission.
