Young Ladies and Moms of the Freshman class,

We are excited to offer book/art sessions for VCHS Freshmen girls and their mothers. This will be a great opportunity for our 9th grade girls to bond with each other and their parents as well as offer a time to slow down, encounter God and hear from Him. The book we are reading is "Culture Care" by Makoto Fujimura, Please watch the video on his website.www.makotofujimura.com . We will discuss the book and do art together. You do not need to be an artist to do this! God has made us all creative and artistic. Let's gather together and use art as a tool to hear from Him!

Our art sessions will be led by Kriste Sveen, an artist, author and teacher, who started The Maker's Space, a community art group; www.themakersspace.us

We will be meeting at Vail Christian High School in the Art room, in the East building downstairs. If the weather is nice, we will be outside. Please bring masks if we need to gather inside and we will be socially

distanced (except for moms and daughters 😊)

By doing art together and discussing the book, we are creating an opportunity for our relationships with eachother to grow during these important years of high school. Please contact Shawna Wilson with any questions and RSVP by Sept 24th to Shawna@cuattro.com.

Hope you can make this special time together,
