What's the Real Problem?

<https://www.youtube.com/watch?v=1RDc2opwg0I>

What Can We Do?

1. Reduce Our Waste!

Reduce, Reduce, Reduce, and then Reuse and Recycle!

Zero Waste Classrooms

Pack it in, Pack it out

- All food and drink must be consumed in reusable containers
- There is no trash can provided
- Recycling paper and possibly commingled items is an option

Mrs. Baker, Ms. Robinson, Room 209, Science Rooms (except during labs)

Waste-Conscious Classrooms

- No waste is strictly enforced!
- Recycling an option

What can you recycle?

Paper, Cardboard, Aluminum, Metal, Glass, Plastic *Please try not to use plastic!

Please do not recycle:

Pizza boxes, food waste, food wrap, plastic bags, styrofoam *Please try not to use at all!
