

GREAT NEWS...TLC is reopening for the summer!
Now in our 16th year!
The Learning Center, LLP Summer Enrichment Program 2021

Vail Christian High School has approved my request to use their beautiful campus again this summer for a six-week enrichment session. The health and safety of our students and staff is our top priority. As such, we will abide by all health department recommendations and school protocols for sanitizing the building in order to offer a clean and safe environment this summer. Masks are no longer required in the building. I will keep families informed of any changes that are made to the existing plan. Please keep your student home if they have a fever or any serious respiratory symptoms.
