Things to think about:

1. We meet every Wednesday during lunch and recess. Attendance is required.
2. We hope to bring back our Friday Snack Cart beginning in October. Everyone takes a turn doing cart each month.
3. All Student Council members are expected to contribute to our weekly newspaper, "From the Halls of St. Paul's," by writing an article, drawing a picture or seeking out classmates to do so.
4. All Student Council members are expected to participate in all SPS Student Council events and activities, including those that may be after school or on a week-end day or evening. This will also include occasions when we are asked to help out by the Principal or any other person or group.
5. We have already registered to participate in *Start With Hello* week at the end of September. To that end, all past Student Council members as well as all those running this year are invited to meet with Mrs. Brown next Wednesday (Sept. 8) during lunch/recess.
6. Lastly, thank you for your interest in joining SPS Student Council. Don't forget, you must submit an application to Mrs. Brown by Thursday, September 9.
