Technical Sergeant Shane T. Miller
19th Security Forces Squadron
481 Cannon Dr
Little Rock AFB AR 72023

Dear Sergeant Miller

On behalf of the men and women of Eagle Chapter, Air Force Security Forces Association, I take this opportunity to thank-you for your superior efforts to request Fallen Defender SSgt John T. Self (KIA in Iraq May 14, 2007 while assisting Iraqis in taking back the streets of Baghdad) to be recognized by the National Law Enforcement Officers Memorial in Washington DC. Further, you contacted Sgt Self's family to guide them to consider attending the recognition of their loved one's name at the US Capitol during the formal dedication of his name at the memorial.

Sadly, most of our project managers do not succeed. So please understand how much we appreciate your gallant efforts to have Ssgt Self's name added to the memorial. SSgt Jeremy Allen has also been a part of this effort and I'm sure that this has been an organizational endeavor. In recognition of your efforts, our chapter is awarding your unit's booster club, the Defenders Association, a check for $500.00. Perhaps this will result in one less car wash.

In addition to the check, I'm also including an Eagle Chapter Coin for you and SSgt Allen. I look forward to hearing of many of your future accomplishments as you continue to excel in our Security Forces Career Field. DEFENSOR FORTIS!

Yours truly,

Elia C. (Lee) Chambers
