AFSPA BOARD VOTES **NO** TO LIFE MEMBERSHIP FOR PROUD WARRIOR

Greetings Eagle Chapter Members and Friends

Proud Warrior Update:

• **Life Membership.** As noted above, the AFSPA Board of Officers voted no to my proposal to award life memberships to the four Airmen who were medically evacuated to Walter Reed due to serious injuries that they received in Iraq or Afghanistan. I've posted my thoughts about this decision in the Eagle Forum at the AFSPA web site.

• **A1C Michael Fletcher.** I have great news to report. Mike is scheduled to undergo his first facial surgery on July 19. CNN and two other camera crews are following his story. He is scheduled for a total of six surgeries. At the end of these very complicated procedures, CNN will be airing an hour long story on him and his facial procedures. We wish him and his family all the best.

Defensor Fortis Flags. At long last, our Defensor Fortis flags have arrived and we are starting to ship them to those individuals who have placed their orders. These flags are the hottest selling items in our exchange.

Eagle Chapter Sponsored-Global War on Terrorism Commemorative Badge.

You can now order the special badge that we have commissioned in honor of our Air Force Security Force members who are engaged in the Global War on Terrorism. See page 8 for details.

A1C Elizabeth Jacobson Coin. A vendor has approached us through the Jacobson family with plans to offer sales of a Liz Jacobson commemorative coin. We are in the very early stages of design/development. All of the proceeds from sales of this coin will go to the AFSPA Proud Warrior program.

Eagle Chapter Coin. At our chapter meeting this week, we showed attendees final draft images of our chapter coin. It is unlike any other coin you have ever seen.

An Eagle to Hug. Wait 'til you see our stuffed Eagle. Instead of taking a Teddy Bear to bed - think of an Eagle, beret... What more could anyone want!!!! This one will be made especially for the AFSPA 20th Anniversary Meeting.

Sorry for brevity. Gotta a ton of things to do for my real job.

Fourth Security Force member dies in Iraq

AIRMAN WARE RECEIVES FULL MILITARY HONORS

By E. C. (Lee) Chambers

(Portions excerpted from the Honolulu Adviser and the Gloucester County Times)

On the night of July 3d, Dover Air Force Base Delaware hosted the reception of our fourth Security Forces Airman to die in Operation Iraqi Freedom. The Dover AFB Honor Guard and the Army's "Old Guard" rendered honors on behalf of a very grateful nation.

Airman 1st Class Carl Jerome Ware Jr., 22, of Glassboro, N.J., died due to a "noncombat related incident" at Camp Bucca, Iraq, while assigned with the 886th Expeditionary Security Forces Squadron, according to the Department of Defense officials.

Airman Ware was assigned to the 15 Security Forces Squadron, Hickam Air Force Base Hawaii.

Funeral services for A1C Carl J. Ware were held on Friday, 7 Jul 06 at 1200 at Mathis Funeral Home, 43 North Delsea Dr, Glassboro, NJ., Tel 856-881-6766. Burial followed at Manahath Cemetery, 730 North Main St., Glassboro, NJ. Tel 856-589-2222. Maj Gen Scott Gray, Commander of the Air Mobility Warfare Center Fort Dix New Jersey attended the funeral service and burial. Maj Gen Gray is the former commander of the 89th Wing, Andrews Air Force Base Maryland. General Gray officiated at Proud Warrior - SRA Brian Kolbage's retirement.

Born in Pennsylvania, Carl graduated from Smyrna High School in 2002 and enlisted in the U.S. Air Force in February 2004 as a member of the Security Forces.

Carl loved the military, playing golf, volunteering at base functions and especially was a loving husband and father.

Carl is survived by his wife, Christine; his daughter, Caitlyn Melissa; his parents, David and Barbara Stutzbach of Glassboro; two brothers, David Stutzbach of Dover, Del. and Ryan Stutzbach of Glassboro; and his sister, Angela Ware of Calif.

Airman Gray joins Airman First Class Elizabeth Jacobson, TSgt Jason Norton and SSgt Brian McElroy as the fourth Security Forces Airman to die in Iraq. The three Airman who died earlier perished as a result of battle related injuries following improvised explosive device (IED) attacks.

Liz Jacobson, first Security Force member to be KIA in Iraq, has gate dedicated in her honor at Goodfellow AFB TX. See Eagle Flight Apr-May 06 newsletter.

Eagle Chapter Member, Trudy Hannah, makes wreaths that we place on War Memorials in Washington DC

SHE OUT DID HERSELF THIS TIME!

By E C (Lee) Chambers

Last year, we started our Warfighter Memorial Services program by placing wreaths on the World War II, Korean War, Vietnam War and Vietnam Women's War Memorials in Washington DC. After establishing the initiative, Eagle Member, Trudy Hannah volunteered to make the wreaths for us. We had no idea what a treat these would be. As you can see by the wreaths Trudy made this year, she really out did herself!

EAGLE CELEBRATES THIRD ANNIVERSARY!

By E C (Lee) Chambers

By the time this edition is published, we will have celebrated our chapter's third anniversary. John Probst, Vice President Air Force Security Police Association will be our guest speaker. The 3d anniversary meeting will have been held on July 18th at The Club at Andrews Air Force Base Maryland.

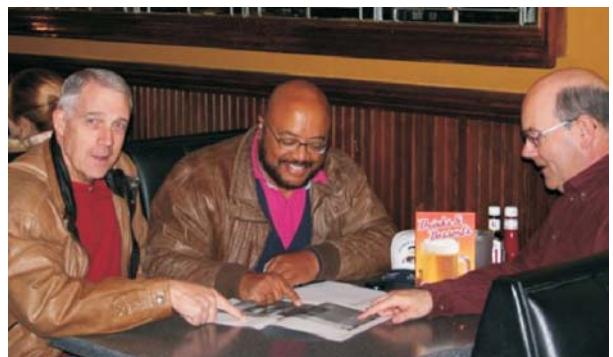

John Probst is a Lieutenant Colonel on active duty and is the Team Chief of NSI Oversight, Inspections and Trends at the Headquarters Air Force Safety Center, Kirtland AFB, New Mexico and is responsible for directing and providing Nuclear Surety Inspection oversight to inspecting MAJCOM IG teams and liaison between inspected units and the Defense Threat Reduction Teams conducting the inspections. We are extremely delighted that his schedule permitted him to participate in our chapter celebration. We will ask John to help us cut our third anniversary birthday cake. I hope that many of you will have attended although for those that don't stay in contact with us or don't have email, it was not possible for us to get the information out to you in advance. We'll work harder on accomplishing this for future meetings.

Defensor Fortis Flag Installation. During the meeting, the chapter will install a Defensor Fortis flag which will be on display at all future meetings. This flag is unique by two factors that distinguish it from the other flags we have on display at our meetings:

1. Staff pointer. In recognition of our tradition as warfighters, we topped this flag pole with an 8" spear blade. The blade represents the SF warfighters who have been engaged in earlier wars and now for our SF members who are engaged in the global war on terrorism and;

2. Second, the golden tassel has a knot in it to represent our vigilance – to remain in waiting – until every SF member returns home!

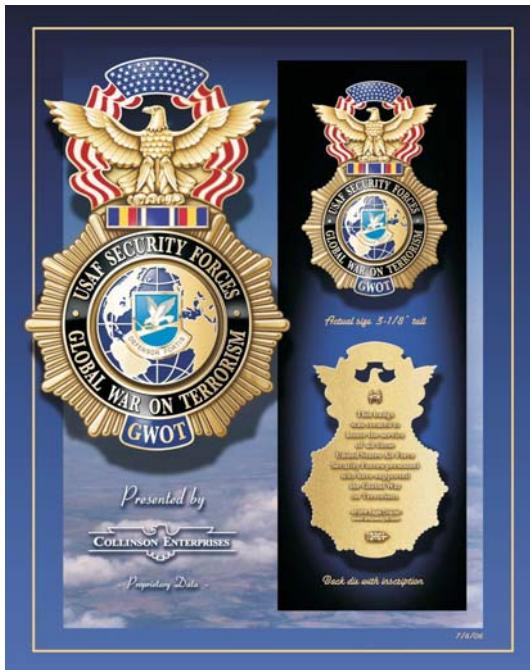

20th Anniversary Meeting. Earlier in the year, Lt Col Probst met to discuss planning for the AFSPA 20th Anniversary Meeting with Eagle Chairman, Lee Chambers and Treasurer, John Saulnier

Defensor Fortis Flag Installation. Eagle Chapter will install this special Defensor Fortis flag and staff during our 3d anniversary meeting.

GROUP FUNERAL SERVICES - WASHINGTON PAUSES TO RECOGNIZE SF AIRMEN

By Jim Saulnier

**Tech Sergeant Staff Sergeant
Jason Norton Brian McElroy**

Three volleys of seven rifle shots, taps sounding from a distant field, followed by Brigadier General Holmes twice reciting the infamous phrase "On behalf of a grateful nation..." as he presented folded flags to each of the widows - so ended the long journey home for two fallen warriors on a clear June day in Washington.

On Monday, June 5, 2006, the families of TSgt Jason Norton and SSgt Brian McElroy were joined at Arlington National Cemetery by the Deputy Secretary of Defense, Assistant Vice Chief of Staff, US Air Force, formations of Security Force members from the Hq USAF, Hq Air National Guard, 89th Security Forces Squadron with two Military Working Dog teams, a large number of retired Security Forces officers and airmen and several Eagle Chapter members for their burial among the heroes who had gone before them.

TSgt Norton and SSgt McElroy, both members of the 3rd Security Forces Squadron, Elmendorf AFB, Alaska, were killed in action after an Improvised Explosive Device (IED) detonated under their Humvee while on convoy duty near Taji, Iraq on January 22, 2006. Their former commander, Colonel Trapp was also graveside for the funeral and told of how the two warriors lost their lives doing what they enjoyed doing most running convoys.

TSgt Norton, 32, a native of Miami, Oklahoma leaves behind a wife a daughter and son. SSgt McElroy, 28, a native of San Antonio, Texas leaves behind a wife and one daughter. Sergeants Norton and McElroy represent the second and third Security Force members killed in Iraq they were preceded by Senior Airman Elizabeth Jacobson, also a victim of an IED near Camp Bucca, Iraq in late 2005. She is at rest in Pompano Beach, Florida. The two young NCOs are at rest at Arlington Section 60 8539. *See pages 10 - 13*
