

## Cultivate each child's unique potential!

Mile High Early Learning is a premier provider of early care and education for children ages 6 weeks to 5 years focused on growing great young minds and preparing them for kindergarten and the world using a Montessori inspired curriculum approach.

Consider joining a learning organization that is as focused on growing great teachers and early childhood professionals as we are on providing a high-quality education experience for our students.

### Start & Grow Your Career in Early Childhood

**“Every classroom at Mile High Early Learning receives regularly scheduled coaching with a credentialed education coach. Professional development opportunities include professional development days, an annual, week-long Professional Development Institute session, the opportunity to attend local workshops and conferences, and assistance in obtaining formal accreditation in early childhood education!”**

**MHEL staff received over 1,500 hrs. of coaching in 2015-2016!**

### Join the Mile High Early Learning Team!
