

Halloween Parade, Friday, October 30th at 2PM in South Freeport Village

SCHOOL

STOP #2

HAPPY HALLOWEEN!

STOP #1 Bernard Residence

The parade will be divided into two distinct groups: Simon and Elodie's classes will leave at 2 PM sharp, then Victorien, Marie and Dasha 's classes at 2:15PM. The groups will not mix during the event. The parade will continue to Stop #1 at the intersection of Park Street and Harraseeket Rd. Our hosts Cedric and Emmy Bernard (school parents) have prepared treats for the students, then the parade heads to Brewer South Freeport Marine, where Stephanie and John Brewer (parents of alum) will welcome the parade and students will collect treats! Parents of preschoolers should park near the marina prior to the event so tired little ones can return by car to school.

SCHOOL COVID PROTOCOLS MUST BE RESPECTED.

All participants must wear a face mask and respect social distancing. Please do not stop for more than a minute at stop#1 and stop#2. The parade cannot be static and needs to be moving continuously. We ask participants not to share treats. Please wash hands before participating.

Thank you to our guests and hosts!
