Halloween Parade, Tuesday, October 31th at 2PM in South Freeport Village

HAPPY HALLOWEEN!

The parade will be split into two groups: Anaelle and Fabien's classes will start at 2 PM, followed by Alison, Raphaël, and Beth's at 2:10 PM. These groups will remain separate throughout the event. The parade will make three stops: the first at Park Street and Harraseeket Rd intersection, hosted by Cedric and Emmy Bernard, who have prepared treats for the students. The second stop will be at Brewer South Freeport Marine, hosted by Stephanie and John Brewer, where more treats will be collected. The final stop will be near the intersection of Main Street and Middle St. at the residence of Claire and Jonathan Ellis, current parents. Parents of preschoolers are encouraged to park near the marina before the event for the convenience of tired little ones returning by car.

Thank you to our guests and hosts!

HAPPY HALLOWEEN!
