

L'Ecole Française du Maine

March 2021

Dear Parents/Guardians,

The following is a list of supplies your son or daughter will need for the upcoming school year. L'Ecole Française du Maine provides all books and general materials, however the supplies listed below are constantly used and need to be replenished throughout the year. We are asking each family to help by providing the supplies listed on the checklist below. Please deliver the supplies and checklist in a grocery bag to your child's classroom teacher on the first day of school. On occasion, teachers and designated "Room Parents" will be asking you for additional supplies specific to special projects. Merci beaucoup!!

Thank you for your support and we look forward to working with you in the upcoming school year!
