

Social Call

Intergenerational Conversations

Would you like to receive a friendly call each week from a youth in your community? Volunteer New York! matches student volunteers with seniors on a one-to-one basis, bringing compassionate conversation and care into their lives and giving volunteers an opportunity to listen and learn. Volunteers and their match will have a phone visit once a week for 20 minutes.

Please provide us with the following:

- Your name and phone number
- What are some of your interests?
- What would be a good day and time to call?

Please email the information to:
