

### 3. Alumni Confirmation of Commitment

Please read the statements below and put an initial next to them to indicate that you understand the commitments involved in this program. If you are accepted, we will ask you to complete an additional statement of commitment with more details.

By submitting this application, I understand that if I receive an invitation to the NAF Leadership Development Summit, I will:

\_\_\_\_\_ Attend and fully participate in the NAF Leadership Development Summit in Atlanta, GA from August 9 to August 12, 2020

\_\_\_\_\_ Commit to safe, responsible, and appropriate behavior while at the NAF Leadership Development Summit

\_\_\_\_\_ Let NAF know **if** the \$250 registration fee presents a barrier for me to attend the Summit. I understand that whether or not I can pay the registration fee has NO negative impact on my acceptance as an attendee to this summit. NAF is considering all applicants equally. Furthermore, if I am accepted and unable to pay the registration fee, all I need to do is notify NAF and the fee waiver will be issued. It is very important to NAF to eliminate financial barriers to participating in this event.
