CANCER EXPERIENCE REGISTRY®

A PROGRAM *of the* CANCER SUPPORT COMMUNITY

The Cancer Support Community's **Cancer Experience Registry** is an online research initiative and resource platform for patients. It provides cancer survivors and caregivers the space to share experiences, using open-ended questions designed to help you communicate with your healthcare team, discuss how the cancer diagnosis can affect the family, and provide support for patients and their caregivers.

For more information: www.cancerexperienceregistry.org or call 888-793-9355 (toll free).

The Cancer Support Community is a non-profit network of 175 locations, delivering more than $50 million in free support and navigation services to patients and families. **So that no one faces cancer alone®**
