

# LAWYERS for Safe COMMUNITIES

## Who We Are

We help individuals and their families rebuild their lives. The San Diego Family Justice Center (SDFJC) is dedicated to transitioning victims of domestic violence, sexual assault and sex trafficking into survivors. Each day victims of family violence come to us for legal services.

### **Attorneys Needed During COVID-19 Crisis:**

During this challenging time with COVID-19, it is particularly difficult for victims of domestic violence to stay safe at home. As a lawyer, you can make a difference. The SDFJC is looking for attorneys to offer phone consultations on restraining order petitions and family law matters. Attorneys must have experience in preparing restraining orders petitions.

### ***Volunteer with the Lawyers for Safe Communities !***

Volunteer sessions are during court hours Monday-Friday.

Volunteers will work out of their remote offices during the COVID-19 pandemic.

*For many victims of domestic violence, home is not a safe place. Attorneys and public institutions can make a difference in people lives during the pandemic.*

1 in 4 women and 1 in 7 men will experience intimate partner violence. Research shows that intimate partner violence is preventable.
