Janelle Reeb

Janelle Reeb is a Performance Consultant. She enjoys equipping others with experiences that encourage continuous growth, require collaboration and stimulate curiosity. Janelle is a lifelong learner, with a background in sport management and education. She has a master's in educational leadership from Illinois State University, is a former college athlete at Truman State University, and 20+ combined years of experience in education and athletic coaching. As a wife of a fireman and a mom of two teenagers, they enjoy exploring National Parks and snow skiing.
