

# STEAMing through DANCE

Register now for the 2019-20 year!  
**Code | E-textiles | Dance**

The *STEAMing through DANCE* program is for students ages 7-12 years old to learn about code, wearable technology and dance. The session will conclude in a gallery style experience to showcase all of the hard work along the way. Anyone in this age group can participate, although there will be the opportunity for black girls to participate in a research study.

**Registration:** September 25<sup>th</sup> 4:00-6:00pm, Dornsife Center Ryan Hall S209A

**Classes run:** Wednesdays 5:30-6:30pm October 2-May 20, 2020
