

A photograph of two students, a young man and a young woman, sitting at a table and working on a project. The young man is wearing a blue and white striped polo shirt and is looking down at a small electronic device on the table. The young woman is wearing a blue t-shirt with 'SUMMER MUSIC TECHNOLOGY' printed on it and is also looking down at the device. They are both wearing lanyards. The background shows a classroom or workshop setting with green chairs and a wooden door.

SUMMER MUSIC+ TECHNOLOGY

Apply: bit.ly/smt2019

Program dates: August 5-9th

The Summer Music Technology (SMT) program at Drexel is an innovative educational experience for high school students that uses music to motivate greater interest in science, technology, engineering, and mathematics (STEM). This unique one week long non-residential camp is offered at no cost to accepted participants.
