

**Reiki Review Class  
with Kaye Smith  
Monday, Feb. 5, 6-9p  
Cost: \$75**

If you have taken Reiki 1 some time ago and you want to update your skills, or if you just want to go over some of the details of a recent class, this 3-hour class is perfect for you. Class covers all the basics from the Center's beginner's class and includes one booster Attunement to clear blockages and prepare you to receive new energies.

Perhaps you studied Reiki at another school and you want to complete your training at the Center. The Reiki Center is the only center in the area to provide traditional Reiki training in the original format. If you studied under the modern or Western style, you may not realize that much of the training in spiritual development was probably omitted. Many students from other schools take the Reiki Review Class to learn if their training included equivalent information, e.g. an in-depth discussion on how to develop an effective Affirmation, how to identify helpful Guides and why to not connect to others, and how to intuitively find and release blockages in yourself and your client.

Students completing the Review Class may wish to enter the Reiki 2 (Advanced) class with greater confidence in their abilities. Students who have not received equivalent training may wish to register for the Center's Reiki 1 Class to gain deeper knowledge.

To register, please call 614-486-8323 or register online.
