

# Great BIG Chamber Auction

November 2023

The Great Big Chamber Auction holds tremendous value to our sponsors, donors, and attendees as it is one of our most highly publicized and attended events. The Auction supports our organizational operating costs. The event features over a hundred silent auction items to bid on virtually - closing out that evening during the event; raffle prizes, free tastings from local wineries and breweries, networking, and live music to enjoy. Our signature Live Auction is making a comeback this year, so don't miss out on sponsoring this fun annual event and fundraiser!

Typical Attendance: 200-300
