Discover CAYUGA LAKE

Charters | Eco-Tourism | Floating Classroom

PRESS RELEASE

From: Discover Cayuga Lake
Date: May 9, 2024

Event: The M/V Teal is back in Town and Ready to Cruise

For Info and Reservations: Call 607-327-5253 or Visit www.discovercayugalake.org.

The M/V Teal is back in town! Come aboard the M/V Teal for Discover Cayuga Lake's 2024 season and get to know your lake! Enjoy fabulous views, good company and lively conversations, while learning and supporting DCL's mission of lake access and education. DCL offers seasonally relevant eco-cruises (great for kids); weekend cruises from the Ithaca Farmers Market; popular sunset cruises; and private charters for private gatherings and local organizations, in addition to a full slate of educational cruises for students. Weekly free or low-cost Community Cruises are also available so everyone can enjoy the lake. Follow them on social media to know about special programs over the summer, such as 4th of July Cruises, Night Sky and Perseid Meteor Shower cruises. Lake Lover Season Passes are also available for cruising with DCL all season long. The Teal's home dock is at the Allan H. Treman Marina in Ithaca, NY.

Since 2003, Discover Cayuga Lake (formerly the Cayuga Lake Floating Classroom) has offered low-cost cruises and educational programs to promote academic enrichment, environmental literacy, and stronger relationships with the important waterways on which we all depend. Learn more about our Floating Classroom, Trout in the Classroom and Internship programs and/or Book your Cruise at: www.discovercayugalake.org
