

Dear Winfield Businesses,

The Winfield Main Street Committee is again planning a pre-festival hamburger feed and downtown music crawl for the Tuesday before the Walnut Valley Festival, September 11th. Downtown businesses are encouraged to participate by having musicians perform on the sidewalk in front of their stores and to stay open late. Please consider participating in this fun event as it is a great way to welcome the hundreds of visitors in town for the week and draw them downtown. Please complete the form below and return it by Thursday, August 30th.
