# BIKE RACK DESIGN CONTEST

## who gets to participate?

Cowley County Youth ages 5-18 (& their families)

## what do we do?

Design a bike rack for your community. If your design is selected, we'll pay to have it built and installed! We suggest it be 6-8 feet long and suitable to secure at least 4-6 bikes.

## when is my design due?

March 2, 2018

## how do I submit it?

Cowley County Extension Office,  
PO Box 538, Winfield;  
deliver to 311 E 9th, Winfield or  
e-mail [cowleyhealthycommunities@gmail.com](mailto:cwleyhealthycommunities@gmail.com)

Will there be a prize?  
winning design(s) will receive a sweet award.  
Plus, you'll get to park your bike rack at the rack YOU designed!

Who picks the winner?  
A panel of judges-- made-up of welders, artists, and avid bike riders.

What communities in Cowley get bike racks?  
We are working to select locations in Burden, Dexter and Udall.

How exactly do I submit my design?  
Please draw on a 8 1/2x11 piece of paper or use the contest submission sheet and title your design, if you need to write a short description to clarify your concept, please do! Include your name, age, hometown and phone number.
