

MBA COURSE PLANNER

Student Name:

Student ID#:

Use this planner to track your progress (WISER's degree audit doesn't work for graduate students).

The MBA program consists of 12 courses/36 credits, 10 required plus 2 electives.

- If WISER gives you an enrollment error, submit the [Registration Request Form](#) with the # from column "C" [here](#) and our office will enroll you and confirm by email.
- You can substitute up to 6 courses with prior undergrad coursework. [View the policy](#) and submit the [Waiver/Substitution Request Form](#) if eligible.

Required Courses That Can be Substituted

MBA Course	Substituted Class (if approved)	Semester & Year	Final Grade
MBA AF 601 Economics for Managers			
MBA AF 610 Accounting for Managers			
MBA AF 620 Financial Management			
MBAMKT 670 Marketing Management			
MBAMS 630 Statistical Analysis for Managers			
MBAMS 635 Operations Management			

Required Courses That Can't be Substituted

MBA Courses	Semester & Year	Final Grade
MBAMGT 650 Org. Analysis & Skills (Complete within first two semesters!)		
MBAMGT 660 Business and Its Environment		
MBAMGT 689 Strategic Management (Capstone course)		
MBAMS 640 Computer Information Systems		

Business Electives (Choose two elective courses. You can focus in many different areas like environmental & sustainability, information systems, international management, marketing, or supply chain management.)

Elective Courses	Semester & Year	Final Grade

Optional Program Add-Ons

1. Customize your degree by pursuing an [official track](#)—Accounting, Business Analytics, Digital Marketing, Finance, or Leadership & Organizational Change—which will appear on your transcript. This option requires three electives, bringing the total program credits to 39.
2. [Add a Certificate](#)! This add-on option would bring your total program credits to 45-48.
