

MSBA COURSE PLANNER

Use this planner to track your progress (WISER's degree audit doesn't work for graduate students).

The MSBA program consists of 10 courses/30 credits, 5 required plus 5 electives. Please note if you do not have a related prior academic background, you may be required to complete 1 pre-requisite course.

- If WISER gives you an enrollment error, submit the [Registration Request Form](#) with the # from column "C" [here](#) and our office will enroll you and confirm by email.
- You can waive up to 4 pre-requisite courses and substitute up to courses with prior undergrad coursework. [View the policy](#) and submit the [Waiver/Substitution Request Form](#) if eligible.
