Use this planner to track your progress (WISER's degree audit doesn't work for graduate students). The MSA program consists of 10 courses/30 credits, 6 required plus 4 electives. Please note if you do not have a related prior academic background, you may be required to complete up to 3 pre-requisite courses.

- If WISER gives you an enrollment error, submit the [Registration Request Form](#) with the # from column "C" [here](#) and our office will enroll you and confirm by email.
- You can waive up to 3 pre-requisite courses with prior undergrad coursework. [View the policy](#) and submit the [Waiver/Substitution Request Form](#) if eligible.
